

## Notes

Welcome to another conversation opportunity about the ministry of Jesus as the Christ, now, through the lens of biblical mapping of God's revelation. As seen in Conference 1 on Hebrews, our ministry attempts to build understanding on the foundation of the two-fold ministry of Christ. Jesus's first ministry completed atonement or appeasement of God for our sins. In his second ministry, Jesus now, as part of the new covenant, shepherds his believers into heaven. He mediates promptly at death and judgment, for those he knows, because they have called upon him in prayer as Savior from sin and death to life in heaven.

This Heaven Session 1-21 Syllabus provides you an opportunity to grow further in the maturity of Christ by hearing biblical speech and revelation from God with interpretation mapped upon the solid foundation of Jesus's two-fold ministry. The Pastor in Hebrews teaches that understanding the milk and solid food of Christ's ministry, matures believers to discern both good and evil teaching (Heb 5:11-14). As such, again in these conversations, we attempt to hear what God says in his words, rather than, other words about his words from the philosophies of people (Col. 2:8; 1 Cor 4:6).

The Heaven Conference 2 is organized in twenty-one sessions. Each session has a video available both on our website and YouTube. The syllabus contains a session index list, mapping discourse illustrations, and individual session outlines to assist in understanding the proper background for biblical context. Whether you are alone, in a group, part of a class, or engaging in this study in a church, we are committed to assist in your conversation opportunities. We are available by email, Zoom appointments, or for questions during organized meeting times with you, your group, or your church venues that you attend. Let us know how you are doing along this journey together.

Grace and Peace,

Bill
